

Everyone's Children

GC VS

Achievements 2018/19

Produced Citywide and locality directories of third sector children's services

Mapped children's services in the NE locality and family support provision citywide in partnership with GCHSCP

Monthly newsletter to 650 contacts and 1300 followers on Twitter

Supported the Citywide Forum, increasing third sector representation on over 20 GCC and GCHSPC working groups

Delivered 21 training sessions and events to 1105 participants (Including 2 Scottish government ministers!) on topics including Child Protection, GIRFEC and child mental health

"The project has a big agenda and a small team, but it has achieved a lot."

GC VS

Tackled child poverty & the attainment gap

- ★ Hosted third sector event on child poverty
- ★ Helped to develop the Glasgow ACEs network
- ★ Facilitated delivery of Glasgow Holiday Hunger Programme

Achievements
2018/19 cont.

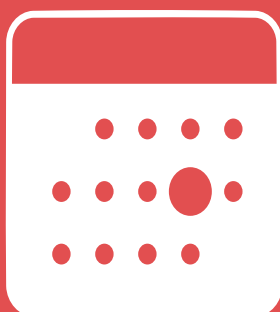

In our independent evaluation...

- 100% agreed that we gave the third sector more of a voice
- 91% had seen the Everyone's Children newsletter
- 83% rated our training and events highly
- 88% said they had a positive experience of working with us
- 75% were aware of the Citywide Forum

What our stakeholders
want us to focus on...

Child poverty
Sharing good practice
Family Support
Training and events

Some of our summer 2019 events and activities:

Child Protection and ADHD training
Facilitating GCHSCP consultation on
family support
North East locality event

OUR PRIORITIES FOR 2019/20

- ★ Support third sector contribution to Children's Services Planning
- ★ Support third sector implementation of the GIRFEC national practice model
- ★ Provide learning and development on Children's Services issues
- ★ Sharing learning and best practice through networks, newsletters, website and resources
