Followed by CLD Plan Consultation 2018-21

A Community Learning and Development Plan is produced for the city of Glasgow and we are consulting on a new plan for 2018-21. Community Learning and Development refers to a range of opportunities including youth clubs, family learning, literacy and numeracy, ESOL and digital learning as well as support to community groups.

Your contributions are valued and will help us to prioritise and shape learning in communities across Glasgow.

Thank-you!
